

## **Interschool Carnival Attendance Policy**

### **Policy Statement**

At Canning Vale Primary School all students in years 6 & 7 will participate, as a team member, at Interschool Sporting Carnivals.

### **Rationale**

An integral part of our physical education program is Interschool Sport. Our school is in the South Central School Sports Association. We compete against schools in our district as follows:

- ❖ Term 1- basketball, softcrosse, T-ball, cricket and volleyball.
- ❖ Term 2- girls football (A.F.L.), netball, flag belt rugby, football (A.F.L.) and soccer.
- ❖ Term 3- cross country
- ❖ Term 4- athletics

The intent of this policy is that all children who represent Canning Vale Primary School deserve their spot in the team because they have displayed the values to which we adhere – Pride, Excellence and Respect.

### **Policy Details**

To represent the school in interschool sport is a privilege not a right. We expect the best from our team members in attitude, behaviour and sportsmanship.

In order to be picked in a school team, children must try their best in sport sessions, be prepared to train at lunch times and display good sportsmanship.

If children are in breach of the policy, parents-guardians will be informed before team selection is confirmed.

The Principal reserves the right to exclude a child at any time from participation because of inappropriate behaviour.

### ***Breach of Policy:***

Poor behaviour at school can result in children being excluded from selection. Their classroom teachers, specialist teachers and administration must be satisfied that the child deserves their place on the team.

Two or more sessions in the Reflection Room during the term will automatically exclude children from representing the school. This does not apply if children are in Work Completion.

Inappropriate behaviour at an interschool event will result in exclusion for the next interschool event (or longer at the discretion of the Principal).
